Globe Metals & Mining Limited (ASX Code: GBE) (“**Globe**” or “**the Company**”) provides its activities report for the quarter ended 31 December 2016.

1. Strategic Review

As announced on 11 December 2015, Globe is undertaking a strategic review of business and global investment opportunities outside of the mining and metals industry.

The strategic review has identified the burgeoning trade in agricultural products, and food and beverage between Australia and China as a key area of interest and focus, due to its growth opportunities and for the fact that it is considered a good fit with the Company’s networks and capabilities.

Globe has and continues to review a number of investment opportunities in this area. Shareholders will be updated on developments as they occur.

2. Kanyika Niobium Project

2.1 Mining Development Process

Negotiations with various regulators, stakeholders and other parties are ongoing in regard to developing the Kanyika project. Various options for project development are being considered. Financing options are progressing and co-development opportunities are being actively explored.

2.2 Exploration Activities

No exploration activities were undertaken this quarter.

Work was focussed on assessment of project financing, partnership and design options.
